BEVERAGE STYLE

Knob Hall maintains a tradition of sustainable agriculture by producing high quality wines from grapes harvested from their 30 acres of vines in Clear Spring, Maryland. An estate winery, their carefully chosen planted varietals reflect the growing environment of the area and are turned into their phenomenal wines. Although Knob Hall has wines for every preference, their collection leans heavily dry.

Knob Hall's Red Blend Prestige wine won Best in Show at the Maryland Winemasters' Choice Competition and earned a gold medal at the Maryland Governor's Cup. Their Vidal Blanc is a gold medal winner at the International Eastern Wine Competition.
