BEVERAGE STYLE

Appalachian Brewing Company (ABC) offers a variety of Flagship beers you can enjoy year-round on draft and in 12oz. bottles including Water Gap Wheat, Mountain Lager, Jolly Scot Scottish Ale, Hoppy Trails IPA, Peregrine Pilsner, Outta Focus 2X IPA, Susquehanna Stout, Argyle Sweater IPA and Broad Street Barley Wine. Also check out their Seasonal Specialty beers throughout the year that you can enjoy on draft. Their 5 bbl. Specific Mechanical brewing system is a state-of-the-art stainless steel brewing system capable of brewing 150 gallon batches. This system is used to produce seasonal specialties available at ABC Gettysburg Battlefield and other ABC locations. Be sure to sample Appalachian Craft Spirits including island style rum, London dry gin, vodka and 5-year aged whiskey.

LOCATION EXPERIENCE

Appalachian Brewing Company - Gateway is a family-friendly restaurant with a brewpub menu that focuses on sticking to their pub roots while welcoming new, fresh vegetarian and healthier menu creations. Menu items include appetizers, soups, salads, sandwiches, burgers, gourmet flatbreads, classic pub entrees and seafood. When the weather is pleasant, dine in their outdoor patio seating area. This modern space is a fun and inviting place to meet with old friends or make new ones. Whether you're looking for a few beers while watching the big game, or a casual family dinner, all are welcome!

FLAVORFUL FACT

ABC also has craft sodas! The soda line is made from natural ingredients - pure sugar cane, no high fructose corn syrup – and is caffeine and gluten free. They are especially proud of their "Lily's Soda" line. For every pint sold, they donate \$1 to the Child Life Program at Penn State Health Milton S. Hershey Medical Center.
